TESTIMONIALS:

"The Aquaterra Group of Companies has been in co-operation with Henderson Construction for the past 15 years. As the prime contractor for many of Aquaterra's projects, Henderson Construction has been providing a variety of services project coordination & supervision, space planning, interior design, electrical, mechanical, plumbing, carpentry & finishing, painting, flooring and many more.

During the course of the 15-year relationship, Henderson Construction has shown their high level of professionalism. The Team's skilled labour and fine workmanship has resulted in the projects being completed to our satisfaction.

Henderson Construction has always been reliable and proved their ability to fulfill our requirements. We will continue to recommend their services."

-The Aquaterra Group of Companies

"We have been using Henderson Construction for over 5 years on many projects ranging from the smallest plumbing or electrical jobs to complex high end tenant build out. Jeff and his workers have an interest in keeping their clients happy even under difficult circumstances. We are very happy to be working with Henderson Construction and look forward to working with them for many years to come."

-Terry McPhail, Farrell Estates Ltd.

"We employ highly skilled trades so work can be finished fast & economically!"
